Choix multiples

A goldfish is captured mid-jump, leaping from a smaller, partially filled glass fishbowl on the left towards a larger, fuller glass fishbowl on the right. The fish is positioned above the water surface of the larger bowl, with a trail of water droplets following its path. The background is a plain, light-colored surface.

Create New Guide / Edit Guide

Select a guide or page to edit

If this is your first time creating a new guide [please watch this how-to video](#) first.

Customize Your Profile

The box on the right shows your default profile. You will be able to edit the profile information on individual guides, but you should customize your default profile as well. [Watch how-to video.](#)

Add "Post to LibGuides" Button to Your Browser

With this button you can add content to your Guides from anywhere on the web. Highly recommended! [See the button in action.](#)

Delete One of Your Guides

Keep in mind that this operation is **irreversible**. Once you delete your Guide, it's gone. Proceed with caution.

Create New Guide

Please fill out the information below to create your new guide. Remember that you can use any of the existing [61,394 guides](#) from our community as a template when creating your own content.

The Template

You can start with a blank guide, or use any existing guide as a template (this will copy the style and the content from an existing Guide).

- Start fresh (no template) [help](#)
- Use one of my guides as a template [help](#)
- Use another user's guide as a template [help](#)
- Use a guide from another institution as a template [help](#)

Add New Content Box

You can create a brand new content box, or reuse an existing box in the system. If reusing an existing box, you can 'Link to' another box (so any time the original box is changed, this linked version will update automatically), or 'Copy box' (i.e. create an exact copy of another box so changing the original will not affect this copy).

For a new content box, carefully select the box type based on the type of content you want to put inside.

Type of Content Inside the Box

- Create a new box
- Link to another box in the system
- Copy another box from the system

- Rich Text/Dynamic Content/Scripts
- Simple Web Links
- Links and Lists
- RSS Feed
- Podcast Feed
- Embedded Video
- Del.icio.us Tag Cloud
- Books from the Catalog
- Documents & Files
- Dates & Events
- Interactive Poll
- User Link Submission
- Remote Script Box
- Google Web Search Box
- Google Books Search Box
- Google Scholar Search Box
- Feedback Box
- LibAnswers Box

Rich Text/Dynamic Content/Scripts is the most versatile box type, for any type of formatted text (including html), links, or dynamic javascript code. You can also embed custom scripts, iFrame, etc. Keep in mind that any box type also has this functionality

Trouver des documents reliés au curriculum de l'Ontario

Les documents reliés au curriculum ontarien peuvent être repérés de plusieurs façons:

- **Le site du Ministère de l'éducation:** Le [Ministère de l'éducation de l'Ontario](#) offrent un accès électronique aux programmes-cadres, à des rapports et à ses politiques.
- **Pièce des documents du curriculum :** Vous trouverez à la pièce 249 du Centre de ressources, des exemplaires des programmes-cadres et copies-types du curriculum. Ces ressources sont expédiées à la Faculté d'éducation au début de l'année scolaire. Les professeurs font habituellement la distribution des guides appropriés pour leurs cours.
- **La collection du CRFE:** Le Centre inclut des exemplaires des programmes-cadres et des copies types du curriculum dans sa collection collection. Ces documents peuvent être repérés à l'aide du catalogue de bibliothèque. Il suffit d'ajouter le sujet qui vous intéresse à l'a boîte de recherche ci-dessous:
